

Overage Profs. Traded For Federal Buildings

New Type Of Show Opens Here **WOW**

By Xerxes Swampoodle

• COINCIDENT with the closing of Colony Limmey Jakes Palace of Burlesque, it was announced today that the art of bump and grind would come to college.

Cue and Crutch Director, G. Boyd Sparkler, stated that the University has purchased the contract for the Burlesque Circuit for the remainder of the season for the sum total of a buck thirty-nine and two archeology profs. In a personal interview with the Tomahawk Drammer critic G. Boyd Sparkler (former midwestern firecracker King, but he blew the works shooting loaded dice) said, "I'd rather be right than direct a Burlesque show."

The able Cue and Crutch Drammer Society genius Sparkler told your reporter that his gang would go into production this week by presenting on the second Tuesday of next week a gigantic, "burley" spectacle, entitled "900 Gals" or "Who Will Wind the Cat While Pa's Away" and featuring such stellar, campus favorites as "Bumps" O'Burphy, "Ding-dong" Blockey, "Bubbles" Blughes, "Ora" Beers, "Gin" Dolls, "Merma" Sag-board, "Merry" Block, Princess Eager Beaver, "Carry" Cragfish, Kleng—"Gee"—A blonde, and Lady MacBeth. There will be on hand examples of pulchritude—count 'em—yeah, go ahead and count 'em—Damned if I can!

Because of the high cost of material and the OPA the total costume cost will be scant as will the costumes. The sum of one dollar sixty-nine should cover the cost, and we hope the performers.

It is positively guaranteed by Lizzy Nertner, University Dance Director, that she will teach the chorus to dance. No longer will the cuties in the line have to be idle or fake a routine. No experience is necessary; interested sorority babes should apply in person with shoes!

The box office reports that sales are soaring. A group of interested instructors on campus have purchased season tickets in the front row. For the benefit of those who are planning on sitting further back in the house lamp black and wigs will be furnished all gentlemen (a polite wolf) with bare pates to keep from blinding the customers in the seats behind. When asked what he thought of the show, one interesting college intellect replied, "I ain't sayin' bud!"

Not to be outdone several of the Greek societies on campus have purchased season ticket for member and pledges. Keeping their eye on the situation, the campus Hays Office advised in a ten thousand word not (Note?—Censored—that's a novel!) that no pledges under ten years of age would be admitted. It is believed that several of these groups are trying to corner the beef trust. Stigma Chi, Stigma Alpha Cholera, and Kappa Kappa Goon purchased three million seats.

the trenches by summer, and a victory in November."

I CAN'T TAKE IT OFF—It's too cold, said Streen O'Hannigan, star of the new show which will open here next week. She was speaking of her "Longies," of course. For details, see adjoining column.

that he was positive the present conflict would end on Nov. 11, 1918. Basing his prediction on the mathematical cycle of Wars, and supply and demand statistics on manpower he stated, "The World's women will not stand for the lack of lovin' they have been forced to do without. Previous wars have proven that women will wait only so long, and then they strike for peace. Now that women have the franchise, we can expect almost anything from them. I feel confident that we will see women in

Gas Coupons Also Figure In Deal

By DENWOOD BLACKHOLE

• COMBINING SHREWD business tactics with "Hoss Trade" instinct the Board of Trustees of the University announced last Sunday that they had completed final arrangements with the Treasury Department for a 99-year lease on several Federal buildings in town.

The deal, which will probably go down in history as the finest bit of trading since the Founding Fathers bought the island of Manhattan, brought 10 Federal office buildings under University control in exchange for 50 broken down professors and 200 five-gallon "C" ration tickets.

Federal officials were quoted as saying, "We don't quite know what to do with the Profs, but we sure as all Hell needed the gas."

A highly authoritative source within the faculty admitted in an off-the-record discussion that the Board of Trustees got the idea before the war when the U.S. traded its over-age destroyers to the English for island bases. He explained that the profs were to be employed in post-war reconversion back to a wartime economy for World War III, under the eighth term of the Roosevelt Administration.

It is expected that the buildings will be vacated in time for the University to hold its summer sessions in them, thus taking advantage of the excellent air-conditioning systems now available.

First to move will be the School of Government, which will take over the Federal Reserve Building which now houses the Combined Chiefs of Staff. Additions to the staff of Garter Class, Haughlin and Surry of NEXT fame, Harold G. Moulting of The Cooking Institution, and John Wayward Key, famed British expert, were also announced. It is also expected that before the week is out, Accordion Hall will announce his resignation as Secretary of State to accept the post of Dean of the School of Government.

Simultaneously, the office of the University President will move into the Pentagon Building. Rep. Eagle, whose recent announcement on the cost of the Pentagon caused such a stir in Congress, personally made all arrangements. In order to consummate the deal, it was agreed to allow Generals Marsh-mallow, Arne and Summertime use of the Columbian House until suitable office space is made available to them. However, with its usual eye for business, the Administration will receive six month's rent in advance, tax free.

The Men's and Women's Athletic Department will move into the Public Health Building and help supervise the construction of a stadium, track and gymnasium to be erected at 17th and Constitution Ave., within the shadow of the Washington Monument.

Other changes in fields of study were noted. The most important of which was the establishment of a Drama Department as one of the major fields of study at the University. To aid G. Boyd Sparkler, now Dean of the School of The Drama, in this mighty endeavor, Kathryn Hepcat, Paul Bathrobe, Alfred Blunt, Lynn Fondant, Jimmy Durable, Edgar Iceberg and Charles Warrior have been obtained. Playwriting classes will be under the supervision of Maxwell Coffee, Rice Crisples, Arch Open-Door, Long Hall and Major Charles MarArch, now stationed in Wash-

ington with the War Department.

Committee Okays Allied, USL Slates For SC Elections

Mary Ring Opposes Lois Smith Allied's Huddleston Unopposed

• QUALIFICATIONS OF BOTH Allied and United Student League candidates for the 1944 Student Council elections were approved last night by the qualifications committee. With the exception of three major offices, over 70% of the candidates as reported in last week's Hatchet were approved.

Lois Smith will carry the banner of the Allied party against Mary Ring, the USL standard-bearer in the race for the presidency. Jimmy Huddleston, Allied candidate for the post of vice-president, will be unopposed.

Candidates for the other positions are: Comptroller, Jim Charrier, USL; Don Balfour, Allied; Secretary, Dorothy Wolf, Allied; Mary Beth Shepard, USL; Activities Chairman, Jean Koppiakly, USL; Virginia Nalls, Allied; Social Chairman, Alice Rebert, Allied; Rene Honey, USL; Advocate, Dale Davis, Allied; Lyle Tarbell, USL; Publicity Chairman, Marjorie Gessford, USL; Edith Norris, Allied; Program Chairman, Darli Foreman, Allied; Ruth Wright, USL; freshman director, Anne Thaler, Allied; Gerard Jetton, USL.

"This year's campaign has been and will continue to be one of the fairest and cleanest campaigns conducted since the official recognition of student elections," Vivian Hooppaw, USL chairman, stated yesterday afternoon; while Eddie Shapiro, Allied chieftain, told The Hatchet last night that the parties line up much closer than last year, and that the civility qualifications of this year's candidates are much more outstanding than those of last year.

In announcing the results of the meeting of the qualifications committee, Luther Brady, chairman, said that Tony Pritchard, Jeff Abercrombie and George Kilpatrick, were disqualified because of the University's six year rule. Jean Crowther will not be on campus next year since she is leaving for the West Coast next month.

Members of the elections committee are: June Cohen, Marie-Louise Ralph, Jimmy Mandes, and Jessman Oslin. Official balloting will take place, April 19, 20, and 21, in the Student Club.

Library to Close During Easter

• THE UNIVERSITY Library will be closed on Friday, Saturday, and Sunday of this week, during the Easter recess.

Student assistants are needed to work during the day, or one or two nights a week at the Main Desk and in the Law Library.

Pan-hel Gives Annual Dance Thursday Night

• SPONSORED BY THE Pan-hellenic Council, the annual spring prom will be held at the Shoreham, April 6. A strictly formal affair, the dance will be from 10 to 1, with music by Stan Brown's orchestra.

During intermission a cup will be presented to the champion salesgirls in the Cherry Blossom drive, and awards for the Women's Intramural Sports contests will also be made. Lloyd Iddings will give plaques to each of the nine sororities.

Barbara Hamblin is in charge of all the arrangements for the dance. Sue Spearman and Mera Riddell are providing Army and Navy officers as escorts for the sorority women through the Pan-hellenic date bureau.

Cherry Tree Goes to Press; Ring Reveals \$600 Net Profit

By NANCY AWTREY

• "A SOLD-OUT CHERRY TREE IS GOING to press this week," editor Mary Ring announced Sunday.

More than \$600 profit will be turned over to the University towards last year's deficit. To pay for the book, \$600 will come from advertisements, approximately \$1100 from organizations, and the remainder, over \$1800 from subscriptions. This last estimate is based on the supposition that every order will be taken up.

Over 600 subscriptions have been sold for the annual, and Editor Ring stated that new purchasers must wait until June in hopes that some subscriber will fail to pick up his book.

This announcement climaxes a long and hard struggle on the part of Editor Ring and her staff, who were unable to begin actual work on the publication until just before the Christmas holidays. Throughout the month of December the Student Council attempted to find adequate financial support for the annual, and thereby fulfill all administration's edicts regarding publication troubles.

On November 2, the Hatchet reported that the University requested the Cherry Tree to remove a \$600 deficit before plans could get underway. The following week, the Student Council sent a letter to President Marvin stating that campus organizations were willing to back the Cherry Tree financially.

And then on December 7, one month later the yearbook staff began planning production in anticipation of University approval which was expected that coming weekend from the Committee on Publications.

Finally on December 14th the Hatchet announced that the Committee had okayed the publication of the Cherry Tree, with the proviso that 600 subscriptions must be secured.

MR. AND MRS. ROYAL ARCH GUNNISON

Gunnison, Ace Correspondent, Released by Jap Terrorists

• "NOW THAT I'M back in America I still catch myself looking over my shoulder to see if a Jap is listening," declared Royal Arch Gunnison, recently returned on the repatriation ship Gripsholm, from almost two years imprisonment.

Gunnison, captured by the Japs in Manila while broadcasting for the Mutual Broadcasting Company, was graduated from this University in 1922.

Invited to go to Corregidor by General Douglas MacArthur when the fall of Manila was imminent, Gunnison preferred to risk capture to leaving without his wife.

On January 2, 1942, the couple were thrown into the Santa Tomas Concentration Camp, where they for sixteen months. They were then shipped to Shanghai in the hold of a Japanese boat with about 500 Jap troops and cattle.

"When we got to Shanghai, they told us we could have the night to ourselves, but to report the next morning for baggage inspection."

"For a moment," Gunnison said, "we were so taken by surprise that we couldn't move, but as soon as realized that we were actually being given a night's freedom, we ran."

"The Japs insisted upon calling us 'inmates' rather than 'prisoners,'" he continued. "Once, just as I was about to sit down, a Jap slapped my face. I asked him why, and he told me it was so I'd remember to tell the truth."

One of the worst features of his imprisonment was the lack of nutritious food, he stated. For the first six months, the Gunnisons were able to feed themselves on their store of cracked wheat, but after that they ate the two meals a day provided by the Japs. Their staple diet at Manila was a greasy stew served about four in the afternoon, but during the five months they were in Shanghai, they were given fish, rice and cabbage.

The weekly "Repatriation Revue" put on by the dance team of Billy and Chita Carroll along with some of the internees was the high spot in the prison fare at Santa Tomas.

All songs lampooned the camp and were filled with a lot of wise-cracks the Japs couldn't understand. Favorite bit of nonsense was the song "Everything's Going to be Lousy," which had a different lyric every week.

"On the whole, though, Margaret and I were pretty lucky to be

together all the time," Gunnison said. "Some couples were allowed to each other only one hour a week—separated by a wire fence."

Gunnison is now a regular news analyst for the Mutual Broadcasting System, and is heard Wednesdays and Saturdays from 9 to 9:15 p. m. (CWT).

Recently, he made the exclusive revelation that Americans and Filipinos are still fighting against the barbaric Jap hordes on Philippine soil, and is now making periodic reports on progress of the war for the Office of War Information. These are beamed to Jap-occupied territories in the Philippine area.

Dining Room Open To All Members Of Staff Now

• THE DINING ROOM in the Faculty Club Building is now open to all members of the University staff, and is no longer under the supervision of the Faculty Club, according to a circular letter sent to all staff members last week.

The letter, signed by Myrna Segwick, administrative secretary, stated in part, "... the Dining Hall of the Faculty Club is open to all members of the Teaching, Research, search, and Administrative staffs of the University without payment of any special fees."

"This is a temporary action taken so as to aid as many of our membership as possible until such time as the Faculty Club and the University officials can work out a final plan for the operation of the Dining Hall."

"Mrs. Winnie G. Barrows, director of personnel guidance, has been appointed to supervise the Dining Room for the University."

Luncheon Tomorrow

• APPLE POLISHING luncheon for language professors will be held in Columbian House, Wednesday, April 5 at 12:30 p. m. This is the fourth Apple Polishing luncheon sponsored by Mortar Board this year. Any student may purchase a ticket for thirty-five cents from Mortar Board members.

Fraternity, Sorority Grades Out

Tri-C Tops List; All Fraternities Below Average

• FRATERNITY and sorority Greek grades released today by the office of Fred E. Nessell, registrar, show all four fraternities which reported membership lists to the registrar, below the University level, while five sororities were rated above the University average.

Colonial Campus Club, included for the first time in Greek grade averages, showed an average of 3.12, in contrast to the all-women level of 2.48, or a plus 44 index.

Theta Delta Chi with only four members registered, showed a 2.05 rating as against the all-men average of 2.29, or a minus 10 index.

Other sorority and fraternity ratings were: Zeta Tau Alpha, 2.78; Kappa Kappa Gamma, 2.66; Delta Zeta, 2.64; Chi Omega, 2.56; Pi Beta Phi, 2.51; Alpha Delta Pi, 2.38; Phi Mu, 2.36; Phi Sigma Sigma, 2.25; and Kappa Delta, 2.07.

Sorority women average was 2.50, with non-sorority women running 2.41, and women's average, 2.43. Sigma Chi, 2.01; Phi Kappa Alpha, 1.84; and Acacia, 1.81. Fraternity men rated 1.92, non-fraternity men, 2.30, and the men's average 2.29.

The above ratings, according to the registrar, were computed by the method adopted by the conference of Deans and Advisors of Men, by the American Association of Collegiate Registrars, and by the National Interfraternity Conference. This system, therefore, can compute the average of any sorority or fraternity at the University with any chapter at another school.

"Our grades," Mr. Nessell went on to say, "according to the method, were weighed with numerical equivalents as follows: A-4; B-3; C-2; D-1; E-0; and F-0. The grade of Incomplete is not considered in computing scholarship indices."

Annual Drive Begins Today

• THE UNIVERSITY'S ANNUAL Cherry Blossom drive got under way today with ten national sororities and two local organizations vying with each other to see who would be awarded a silver loving cup at Panhel Prom Thursday night.

This drive is but a part of a nation-wide campaign to raise money for disabled service men of World War I who spend long hours preparing the blossoms for sale. The University profit from the sale will revert to a scholarship fund for the School of Government.

Flowers for the drive were distributed yesterday at the sorority rooms by Virginia Jones, director. Receipts from the Cashier's office for the money turned in there must be turned in to Dean Warren Reed West by Thursday night at 6:10. Last year's top sorority was Alpha Delta Pi, who sold over \$148 in blossoms with Pi Beta Phi and Delta Zeta as runners-up.

Second place in this year's contest will receive five silver dollars, and third place honors will carry financial remuneration amounting to three silver dollars.

The drive is sponsored by the various Masonic Clubs of Washington. Dean West is faculty adviser of the drive.

Phi Pi Epsilon Initiates Thirteen

• PHI PI EPSILON, Foreign Service Honorary Sorority, initiated thirteen girls on Sunday afternoon. Those initiated were: Mary Carol Biesemeier, Virginia Jones, Elvira Wolfe, Elsa Dik, Bertie Stamm, Ruth Naefe, Eleanor Nash, Jean Fant, Helen Hamblin, Dorothy Lichens, Mary Jane Klipple, Ruth Newcomer, Helen Vasiotes.

Following initiation a banquet was held for the new initiates. Dr. and Mrs. John Donaldson, Mr. James Farris, Office of State Department in care of Martinique, Mr. Henry Horton, and Mr. Harold Guista were guests of the sorority.

Glee Clubs Featured At Chapel

Munson Will Read Easter Message Wednesday Night

• **EASTER CHAPEL** will feature the Glee Clubs in a program of Easter music under the direction of Dr. Robert H. Harmon, accompanied by Grace Rublee Harmon, at 9:00 p. m. on Wednesday, April 5, in Hall of Government, 102.

Betty Munson will preside at chapel and read the Easter story from the Bible. Both Clubs will then sing, "Christ, the Lord, is Risen Today" by Charles Wesley; "Praise to the Lord" by Christiansen; "Beautiful Savior" by Christiansen; and "Lo, a Voice to Heaven Sounding" by Bortniansky.

The Girls' Glee Club, alone, will present Schubert's "Ave Maria" and Tschalkowsky's "Oh Thou from Whom All Blessings Come."

"Bless the Lord O My Soul" by Ivanoff and "Kamenoi Ostrow" by Rubinstein will be rendered by the combined voices.

Solo part in "Beautiful Savior" will be sung by Jane Snyder, first alto in the Girls' Club.

For several years the Glee Clubs have offered programs of music to the student body at Easter and Christmas chapels. This season there are three numbers which have not been sung for several years, i. e., "Praise to the Lord," "Oh Thou from Whom All Blessings Come," and "Bless the Lord O My Soul."

"Kamenoi Ostrow" is ordinarily sung once a year by the Glee Clubs and is a signal for all former Glee Club members to come forward at that time and sing.

The annual Spring Concert and Dance will be held in the Willard Hotel on Saturday, May 6, for both the Girls' and Men's Glee Club.

Prejudice Against Minority Groups Hit by Dr. Rustin

• **"PREJUDICES** against minority factions should be examined by religious groups and an endeavor made to eliminate such feeling against them" was the topic of the address by Dr. John Rustin, Pastor, Mt. Vernon Place Methodist Church, at the Spring Fellowship meeting in Columbian House on Friday night.

"We are often not even statistically honest in accusing groups of misconduct, since we forget it in ourselves. . . . There are always a few who are unpopular because the ideals they hold differ—in an upward direction—from those held by the majority." Dr. Rustin continued in his speech to show the need for toleration on the part of the mass of people toward those who hold different views.

Eight religious groups were represented by the fifty-five students at the meeting.

Thespians Instigate Workshop Tryouts; Meet Tonight

• **TRYOUTS** FOR the third in this year's Workshop productions are scheduled for tonight at 8:30 p. m. in Studio A of Lisner Auditorium, with the presentation of the three plays set for Sunday afternoon, April 16, at 4:30 p. m. in Recreation Hall.

These tryouts are open only to new applicants or members who have not as yet been cast in any major production by Cue and Curtain.

A one-act melodrama, "She Was Only A Farmer's Daughter," is to be directed by Maybelle Hughes. Margaret Truman will direct a radio play, to be selected later. The last of the plays will be a comedy "Starstruck," directed by Josephine Forbes.

An important meeting of Cue and Curtain is scheduled at 8 p. m. tonight in Studio B, Lisner Auditorium.

Home Ecs Give Party

• **CHILD NUTRITION** CLASS of the Home Economics Department prepared and served a luncheon for the first graders of Grant's school last Monday.

Former Students Get Wings, Commissions

HARRY BALWIN

Graduates of Army, Navy Air Schools Wait Duty Orders

• **HARRY BALDWIN**, former University student, graduated March 29 from the Naval Air Training Center, Corpus Christi, and was commissioned a lieutenant in the U. S. Marine Corps Reserve.

As a Naval Aviator, Baldwin is an expert flyer, navigator, aerologist, gunner, and radio operator. He is qualified to fly carrier-based planes or land-based planes in the combat zones, or at Naval Air Stations at home and abroad.

Lt. Raleigh S. Ragsdale, Jr., Lt. Robert F. Case and Lt. Thomas A. Fain, former students of the University, were among collegians from the campuses of more than one hundred and twenty-five American colleges and universities who helped to swell the record-breaking total of combat pilots who received their wings this month from the eleven Southwestern Advanced Flying Schools of the AAF Command.

This month's graduation ceremonies were the largest ever held by the Central Flying Training Command. Fighter pilots received their wings at Eagle Pass, Aloe and Foster Fields in Victoria, and at Moore Field in Mission, all Texas Flying Schools. Bomber pilots were graduated at Frederick and Altus in Oklahoma and at the Texas air fields of Blackland, Ellington Field, Brooks Field, and the Army Flying School at Lubbock and Pampa.

Both Ragsdale and Case were at Aloe Field, Fain was at Moore.

Aviation Cadet Anthony R. Creme has reported at Carsbad, New Mexico, Army Air Field, where he will receive advanced flight training in high-level bombardiering and dead-reckoning navigation. He is a former student of the University.

Pvt. James E. Bacon, Jr., is stationed at Marine Barracks, Parris Island, S. C. While at the University he was President of Theta Delta Chi, social chairman of IFC, and also Gate and Key.

Bombers Top Seabees; Near Mural Cage Title

Bob Hirsch Leads 2nd Half Rally

Sigma Chi Defeats SAE for Third Straight Victory

By MERVIN LEWIS

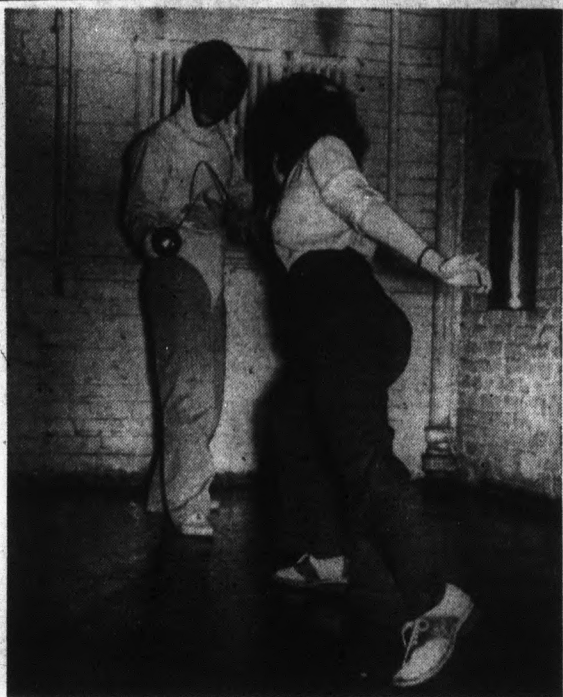

• CATCHING their opponents offguard, the Bombers ran up a 12-0 lead in the first four minutes of the game and went in to defeat the Seabees 26-18. By winning last Monday night, the Bombers not only took over first place in the Intramural Basketball League, but virtually assured themselves of their second consecutive Intramural Basketball Championship.

The addition of Mitch Wagman, former "Informal" forward, sharpened the attack of the Bombers considerably, and with Wagman setting up plays they struck hard and fast. Led by Stan Levin and Joe • Giovacchini, the Bombers scored six baskets before the Seabees finally cashed in on a free toss by Ted Ritchie. Then the attack of the Bomber team stalled and the fighting Seabees slowly whittled away at their rivals' lead. With the sharpshooting of Johnny Pollock and Ben Williamsoski pacing their attack, then pulled up to 12-10 as the half ended.

In the second half the Seabees took over the lead 14-12 after two minutes of play on baskets by Pollock and Ritchie, and then lost it when Levin and Hirsch scored for the Bombers to make the score 16-14. A mid-court shot by Jim Mandes and a layup by Pollock again put the Seabees out in front 18-16 but a minute later Wagman tied it up at 18-18 with a long set shot. It was then that the superior conditioning of the Bombers started to tell.

Sparked by Bob Hirsch, who was brilliant in snaring shots off the backboard, the fast-break of the Bombers started to click once again. The Seabees were unable to stop the shifty forward line of the Bombers and fell behind slowly. They were unable to hit the mark once while the Bombers cashed in on 8 points to ice the game. Stan Levin was high scorer for the Bombers with 10 points and Johnny Pollock was high for the losers with 10 points.

After a dismal early season start the Sigma Chi quintet won its third straight game in the first game of last Monday's double bill by defeating SAE 19-11. By winning this game they went into a tie for fourth place with Phi Alpha who was idle last week.

TOUCHE—The young G. W. coed (above) scores a nice point against her male opponent. The action took place in last Wednesday's Fencing Club exhibition.

Whittlesey, Mary Ellen Vincent, Peggy Woodall, Betty Wood, Verna Stinus, and Mera-Riddell will display the latest in feminine attire. Music during the show will be played by Vicki Embry.

The Big-Sister-Little-Sister program is sponsored by the Mortar Board and the Big-Sis Committee with Lila Fundaburk, Cam Lundberg, Anne Tholer, and Bertie Stamm in charge.

In addition to the big and little sisters, the sewing section of the Home Economics class has been invited.

Religious Notes

By JANET EVANS

Wednesday at 8:15 the Westminster Foundation will study the Passion Story. The meeting will be from 8:15 to 9 p.m. before the Easter Chapel. There will be no Friday meeting.

The Christian Science Organization will hold a regular meeting Thursday at 9:10 p.m. in Columbian House.

Miss Brooks Hays, daughter of Senator Brooks Hays, a graduate of the University, will review "The Song of Bernadette" by Franz Werfel Saturday at 8 p.m. at the home of Ann Workman, 3553 Brandywine Street, NW. Monday at 8:15 p.m. the members of the Baptist Student Union will meet at the First Baptist Church for a Bible study meeting.

"When God Speaks in You and Me," the last in a series of Lenten addresses by the Reverend Fred Sherman Buschmeyer, pastor of the Mt. Pleasant Congregational Church, was held last Friday. Rev. Buschmeyer stated in part that the last step in God's revelation of Himself to man is the revelation of His ideas through man.

Dr. John W. Rustin, president of the Washington Federation of Churches and pastor of the Mt. Vernon Methodist Church was guest speaker at the 7th annual Spring Fellowship held in Columbian House last Friday. Stating that religious groups in particular, but people in general should re-examine their prejudices against minority groups he emphasized the fact that by allowing these prejudices to continue we would be establishing supremacy of the same gods after the war that we had attempted to destroy through the war.

Soloist for the evening was Yic Ruth Behrens, USN, who sang "Sheeps & Lambs." The meeting was under the direction of Agnes Engbreitson, president of the Luther Club with Betty Munson introducing the speaker.

Mason Is Curator

• JOHN Russell Mason, Librarian of the University, has been named Curator of Art here. In this capacity he will have charge of the many paintings, pieces of sculpture, and other art objects which have been presented to the University.

Recreation Problems Of Vets Discussed

• "POST-WAR PLANNING in Health, Physical Education and Recreation" was the general theme of a Physical Education Conference sponsored by the District of Columbia Health and Physical Education Association at the Wardman Park Hotel on Saturday, April 1.

Dancers Plan Program For New Season

• ORCHESTRIS opened its Spring Season of Modern Dance at a weekly meeting on Tuesday of Orchestris and Junior Dance groups. New techniques and compositions form the program plan.

The enlarged Junior Dance group of old members and new girls, now totalling twenty-five, will exercise their talents and abilities in creation and performance.

Election of new officers will be a function of the next meeting of Orchestris on Tuesday. Candidates will be chosen from the applications received by Mary Ring, Talent Scout, during the last two weeks.

Officers will be elected to the following positions: Business Manager, Assistant Business Manager, Talent Scout, Publicity Manager, and Costume Manager. The Costume Designer will be appointed by the newly elected Business Manager.

Law Review Articles Reprinted In National Mags

• "ENEMY ALIENS As Litigants" is one of several articles recently chosen for reprinting by national law publications after having first appeared in the George Washington University Law Review. It was written by Willie Y. Rylee, a student of the law school, for the February issue of the Law Review and is being reprinted in "Current Legal Thoughts" pamphlet.

An article written for the same issue by Alexander Holtzoss, special assistant to the U. S. Attorney-General, has also been selected for republication. It is titled "The Form of Federal Criminal Procedure" and will soon appear in a national magazine for lawyers, "The Federal Rules Decisions."

Case notes on "State Anti-Trust Law" by Eugene Mulholland of the law school reappeared in the March 11 issue of the New York Law Journal. It was first printed by the Law Reviews in December, 1943.

The Law Review is published quarterly by the University Law School.

Personnel Officer Lists Many Jobs

• "JOBS, JOBS, in fact gobs of jobs are listed in the Personnel Office at the University," stated Mrs. Winnie G. Barrows, Director of Personnel Guidance.

Baby minders, window washers, sales clerks, teachers, Government clerks, engineers, etc., either part-time or full time, temporary or permanent, can learn where to apply for that certain job which has been puzzling the student-applicant for days or months.

Mr. Oto Romney, who returned recently from overseas with the American Red Cross, spoke on the problem of "Post-War Recreation." "Recreation is a field to itself, not a step-child of physical education, health or safety education. Recreation has the responsibility of teaching people what to do in rehabilitation after the war."

"Trends in School Physical Fitness Program" was the subject of the speech by Dr. David K. Brace, U. S. Office of Education, during the luncheon. "The per cent of girls and boys in physical education and health in schools is not over fifty-two per cent, and in health education not over forty-six per cent. Men are being discharged from the Army at the rate of 2,000 a day, due mainly to the fact that they do not have the stamina. This reflects the lack of early physical training."

After lunch the conference divided into two groups, men and women, the women listened to a Red Cross report and the men went to baseball clinic.

Miss Mary K. Browne, South Pacific Area Red Cross Director, recently returned from Australia and New Guinea, spoke on her personal experiences there. She indicated the need for more facilities in the fighting area by relating that \$33,000 men returned from the battle front and there were just 600 beds to accommodate them. These men were sent there to rest for a while before returning to battle.

At the baseball clinic there were films and several well known baseball players who spoke on the sport.

There will be a national convention in New York on April 24 and members of the University faculty and student body are planning to attend.

SAM Sponsors Post-War Talks

• INDUSTRIAL Post-War Planning will be discussed at the next meeting of the University Branch of the Society for Advancement of Management, to be held at 8:30 p.m., April 13, in Room 302 of the Hall of Government, Clifford Carlstedt, Vice-President and Program Director, announced this week.

Principal speaker will be S. T. Henry who, as special assistant to the President of McGraw-Hill, and a nationally-known industrial engineer, is intimately acquainted with post-war plans of many important industrial concerns. He is also Treasurer of the National Planning Association.

Dr. Frederick M. Feiker, Dean of the School of Engineering and faculty advisor and sponsor of the Branch, will also speak. He will stress the problems that management will face in getting American production keyed to post-war international competition.

At a meeting last week of the Executive Board of the Branch, Mario Anthony Spohnino and Joseph D. Cooper were selected to fill vacancies on the Executive Board, left by the graduation of Ned Schreiner and the resignation of William Nash.

OPA Textile Chief Addresses AK Psi

• "ACCOUNTING problems of a War-Time Government Agency" were discussed last night by York B. Wilson, Chief of Textiles Division, Accounting Service, Office of Price Administration, before a meeting in Columbian House of Beta Mu Chapter of Alpha Kappa Psi, Professional Commerce Fraternity.

Mr. York outlined the role that accounting has played in OPA's drive to keep down the cost of living by controlling prices, and showed the accounting methods and techniques that have been devised to facilitate this result. The speaker was introduced by the chairman of the evening, Roy E. Felto.

WPC Meets Thursday

• WAR PLANNING Committee members are to meet Thursday at 5 p.m. in Columbian House, second floor. The meeting scheduled for last week was postponed because of examinations.

Information must be turned in by April 15 on all meetings and functions to be shown in the student guide, which is now being worked on by the War Planning Committee and Mary Lou Fitzsimmons, program director, reminded Chairman Jean Kopplaky.
